

Downsizing Panel

This webinar is specifically designed with the downsizing audience in mind. For those who are facing the often daunting task of paring down their homes to a smaller and less cluttered space, this talk gives an overview of strategies to take the overwhelm out of the process and introduces you to a team who can help you every step of the way.

We will discuss:

How to successfully sell and buy a home at the same time. Ways to eliminate clutter and let go of things that no longer serve you.

A high-level look at assisted living options and pros and cons of each.
Estate planning considerations for seniors and those who care for them.
Ensuring a financially sound retirement.
